Survey of Industries conducted by National Council for Applied Economic Research

443. SHRI MENTAY PADMANABHAM: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the Summary report on the survey of industries conducted by the NCAER (National Council for Applied Economic Research) issued in March, 1992;

(b) what is Government's reaction to the conclusions of the report that industrial growth rate will slacken to zero percent in 1992-93; and

(c) whether the expected fall in anticipated demand will further affect industrial growth?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. J. KURIAN): (a) to (c) Yes, Sir. According to the Summary Report on the Expectations Survey of Industries conducted in February, 1992 by National Council of Applied Economic Research, the expected average growth rate of household demand for goods and services is zero percent in 1992-93 while the industrial demand for goods and services is expected to be 0.3 percent during the same period. However, the report does not mention the likely rate of industrial growth in 1992-93.

The Expectations Survey was conducted prior to the presentation of the Budget on February 29, 1992. Hence it does not take account of the various policy measures announced. Several policy measures announced in the Union Budget for 1992-93 are designed to enhance demand for industrial goods and to promote industrial growth. Thus, measures like partial convertibility of the rupee, reduction of duties on capital goods, and elimination of import licensing except for a small negative list, etc. would facilitate easier availability of raw materials, components etc. while measures like reduction in statutory liquidity ratio and reduction in interest rate would facilitate easier availability of funds at lower cost for industrial development.

Slump in car industry

444. SHRI RAMDAS AGARWAL: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the news item which appeared in the *Indian Express* dated the 10th April, 1992 under the caption "Slump in Passenger Car Industry likely";

(b) if so, what was the production and sale thereof during the last three years (year-wise) by the major car producing companies (company-wise);

(c) what are the reasons for recessionary trends in the car industry; and

(d) in what manner Government propose to stabilise the situation in this regard during 1992-93?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. J. KURIEN): (a) Yes. Sir.

(b) Production & sales of passenger cars by the major manufacturers during the last three years has been as under:

Production

	1989-90	1990-91	1991-92 (upto Feb., 92)
M/s. Maruti Udyog Limited	108023	111157	106718
M/s. Premier Automobiles Limited	42313	44925	31799
M/s. Hindustan Motors Limited	28730	25748	14221
TOTAL :	179066	179830	152738

Sales

	1989-90	1990-91	1991-92 (upto Feb 92)
M/s. Maruti Udyog Limited	108440	110031	105433
M/s. Premier Autobmobiles Limited	42370	42561	28430
M/s. Hindustan Motors Limited	28624	24347	14613
TOTAL :	179434	176939	149482

(c) and (d) A marginal decline in sales of passenger cars in 1991-92 could be attributed to decline in demand resulting from increase in prices of these vehicles and tight credit policy of Government adopted in order to control inflation. The reduction in statutory liquidity ratio and reduction in interest rate announced in 1992-93 budget are designed to expand the supply credit and reduce its cost which will help in boosting effective demand.

Setting up of computer software unit by DSIDC

445. DR. SANJAYA SINGH: Will the PRIME MINISTER be pleased to refer to the answer to Unstarred Question 1275 given in the Rajya Sabha on the 5th March, 1992 and state :

(a) whether any proposal relating to development of infrastructural facilities for setting up of computer Software Units has since been submitted by the D.S.I.D.C. to the Delhi Administration for approval; and

(b) if so, what are the details in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. J. KURIEN): (a) and (b) No, Sir. However, DSIDC are understood to have formulated on their own, a scheme, namely "Own Your Industrial Shed Registration Scheme" only for computer related projects in Okhla and Narela Industrial Complex.
